1. PURPOSE

The purpose of this MoU is to establish a collaborative framework between RPE and GITAMW to:

- Bridge the gap between academia and industry
- Promote innovation, research, and development
- Enhance technical skills of students and faculty
- Provide industry exposure and real-world learning opportunities

2. SCOPE OF COLLABORATION

2.1 Support by RPE

RPE agrees to provide continuous support in the following areas:

a. Technical Support

- Guidance on projects, research, and development activities
- Mentorship for students and faculty
- Assistance in emerging technologies and industry practices

b. Financial & Sponsorship Support

- Provision of select components, tools, and materials for projects
- Financial assistance (partial/full) for outstanding research and development initiatives
- Sponsorship of innovative and high-impact student/faculty projects

c. Academic & Training Support

- Conducting seminars, workshops, and webinars
- Organizing technical training sessions
- Providing guest lectures and expert sessions

d. Events & Exposure

- Support in organizing technical fests, hackathons, and innovation challenges
- Arranging industrial visits and field trips
- Facilitating real-world exposure to industry practices

e. Internship Opportunities & Stipend Support

RPE shall provide internship opportunities to students of GITAMW in both offline (on-site) and online (remote) modes.
Internships will be aligned with industry requirements, ongoing projects, and skill development goals.
Selected students may be assigned to live projects, research initiatives, and product development activities.

- RPE may provide a stipend or financial compensation to interns based on:
  - Project scope and complexity
  - Budget allocation
  - Student performance and contribution
- Internship certificates and/or experience letters shall be issued

upon successful completion, subject to RPE's evaluation criteria.

2.2 Support by GITAMW

GITAMW agrees to:

- Encourage participation of students and faculty in all collaborative activities
- Provide necessary infrastructure and coordination support for events
- Facilitate communication between RPE and relevant departments
- Promote research and development initiatives within the institution
- Recognize and support meritorious students and faculty involved in innovation

3. PROCUREMENT UNDERSTANDING

GITAMW agrees to:

- Consider procuring laboratory equipment, components, and related materials through RPE wherever feasible
- Allow RPE to provide competitive pricing and special institutional discounts
- Evaluate proposals from RPE in good faith, ensuring mutual benefit

Note: This clause is non-binding and based on mutual agreement and institutional policies.

4. MUTUAL BENEFITS

This collaboration aims to create a win-win relationship, wherein:

Students gain practical exposure, funding opportunities, and industry-relevant skills

Faculty receive support in research, development, and teaching methodologies

GITAMW strengthens its academic and industry connections

RPE expands its outreach, collaboration opportunities, and institutional partnerships

5. DURATION

This MoU shall remain valid for a period of 3 years from the date of signing, unless terminated earlier by either Party with written notice.

6. TERMINATION

- Either Party may terminate this MoU by providing 30 days' written notice
- Ongoing activities at the time of termination shall be completed unless mutually agreed otherwise

7. CONFIDENTIALITY

Both Parties agree to maintain confidentiality of any proprietary or sensitive information shared during the course of collaboration.

8. NON-BINDING NATURE

This MoU represents the intent of collaboration between the Parties and does not create any legal financial obligations unless specified in separate agreements.

9. AMENDMENTS

This MoU may be amended only through a written agreement signed by both Parties.

10. GOVERNING LAW

This MoU shall be governed by and construed in accordance with the laws of India.

11. SIGNATORIES

IN WITNESS WHEREOF, the Parties hereto have executed this MoU on the date first written above.
